

# FREE\* ENERGY RESOURCES!

Are your energy bills difficult to manage?  
Looking to reduce your energy costs?  
Take these following steps.

1

## Apply for Hennepin County's Energy Assistance Program

The Energy Assistance Program helps income-eligible households maintain affordable and continuous home energy. Services include bill payment assistance and energy crisis intervention. You'll also receive a referral to the weatherization assistance program. Both homeowners and renters are eligible.

Call the Community Action Partnership of Hennepin County at **952-930-3541** or visit [caphennepin.org/what-we-do](http://caphennepin.org/what-we-do).

2

## Schedule a visit from the Home Energy Squad®

The Home Energy Squad® helps you learn about energy-saving opportunities in your home and installs materials on-the-spot. They can update drafty doors, an old thermostat, inefficient light bulbs, and more.

Free assessments are available to income-qualified households. They will also determine if you qualify for free energy saving services through Xcel Energy's Home Energy Savings Program, including appliance replacement. Both homeowners and renters are eligible.

Sign up now at [xcelenergy.com/HomeEnergySquad](http://xcelenergy.com/HomeEnergySquad) or call **651-328-6220**.

*\*Households must meet income qualifications set by program to be eligible. Contact service provider to see if you qualify.*

This information is brought to you by the Golden Valley Energy Action Team, which set a goal to eliminate 65,000 tons of greenhouse gas emissions through energy reduction in the next 10 years.

**GOLDEN VALLEY AND XCEL ENERGY ARE PLEASED TO WORK TOGETHER TO ACHIEVE OUR COMMUNITY ENERGY GOALS.**
