Rules & Regulations

- Vendor registration and a City event permit are required to engage in mobile vending anywhere in Golden Valley.
- Vendors found operating without a permit or in non-designated areas will be subject to a citation.
- All food vendors must be inspected by an authorized agency and possess a current mobile food vendor license from Hennepin County.
- All vendors operating on City property or in a public right-of-way must provide an insurance rider listing the City of Golden Valley as an additional insured on the policy for any permitted dates of operation.
- No refunds will be given for any reason once the permit has been issued.
- Permits are valid only for the dates and times specified.
- Single-family and duplex properties are limited to two one-day permits in a 12-month period.
- Vendors must park:
 - in a designated parking area and must not impede normal traffic flow
 - at least 10 feet from all structures
 - at least 5 feet from property lines
 - with service window facing curbside if located in a City street
- Vendors may not park on the grass or pathways (unless special permission is authorized).
- Vendors must provide trash and recycling receptacles and keep sites free of waste. Vendors are responsible for clean-up and trash removal generated from their operation in the immediate area.
- Vendors will be assessed for all damages or extra trash clean-up within the park generated by their operation (if required).

Required Attachments

Tennessee Warning

You are being asked to answer questions and provide information pursuant to the license and application process that is required by Minnesota state law or the Golden Valley City Code. The purpose and intended use of the requested data is to verify that applicants meet the requirements of the state statutes and city code provisions and, if the license or permit is approved, to verify that all required data remains current.

Some of the information you provide on this application is considered private data under the Minnesota Government Data Practices Act (the "Act"). This information will be used by the City and its agents to review this application. You are not required to answer questions or provide the information requested but if you do not provide the information the City will not be able to process your application.

The following data collected, created, or maintained is classified under the Act as public data once a license has been approved (Minn. Stat. § 13.41, subd. 5):

- 1. Data submitted by applicants (including name, email, telephone numbers, and addresses).
- 2. License numbers and status.

The following data collected, created, or maintained is classified under the Act as private and/or confidential data (Minn. Stat. § 13.41, subd. 2; Minn. Stat. § 13.37, subd. 1):

- 1. Active investigative data relating to complaints against any license.
- 2. The identity of complainants who have made reports concerning licenses or applicants which appear in inactive complaint data unless the complainant consents to disclosure.
- 3. The information related to unsubstantiated complaints when it is not maintained in anticipation of legal action.
- 4. Inactive investigative data relating to violations of statutes or rules.
- 5. Trade secrets, as defined under Minnesota law.
- 6. Sensitive security and safety information.

The City of Golden Valley may make any private or confidential data accessible to an appropriate person or agency if the City determines that failure to make the data accessible is likely to create a clear and present danger to public health or safety.

Certification: I have read and certify the information in this application is true and correct. I further understand that the giving of false information in this form and/or the failure to give requested information may be cause for immediate revocation of any and all licenses and/or permits issued hereunder. I understand the above information regarding my rights as a subject of government data and applicant for a license or permit from the City of Golden Valley.

Note: Proper signature is required. If a corporation owns this establishment, an officer of the corporation must sign below; if a partnership, the managing partner; if an individual, the owner.
